Big Enough To Cope, But Small Enough To Care

Classic Pedestal Range

The Classic Pedestal is the new, cost effective, marine grade stainless steel pedestal from BC Technology.

It has a modern, streamlined design with an angled top for ultimate style.

Being both stylish and robust the Classic Pedestal is the ideal choice for any application.

It's available off the shelf in 1200mm, 1600mm and 2100mm standard heights and can be made to order if any special requirements are required such as dual panel, powder coating or special height etc.

The Classic Pedestal is designed to accommodate any Aiphone door station and stock items can be bolted on directly, eliminating waiting times.

Ideal for:

- Hospitals
- Hotels
- Car Parks
- Warehouses
- Factories
